Free 11+ preparation and KS2 learning support

Dear Families,

We're pleased to let you know that Salmestone Primary School has partnered with [Atom Learning](#), the leading 11+ preparation and Key Stage 2 learning website, to provide free KS2 learning and 11+ support to primary school children who are eligible for Pupil Premium. **Eligible students will receive access to Atom Home for free (normally £575.90 a year).**

There is a free trial of Atom available for non-PP families. Atom Learning is a viable, more child-centric alternative to private tuition that we believe is a non-stressful and enjoyable way of making progress at KS2 and, when relevant, preparing for exams.

What is Atom Home?

Atom Home is an online learning and exam preparation platform for ages 7-11, designed to build children's confidence with Key Stage 2 learning objectives and familiarise them with the style of questions they may see in the 11+.

Covering English, maths, science, verbal reasoning and non-verbal reasoning, children can practise 11+ questions and explore learning resources, mock tests, video tutorials, and exam preparation materials.

Do you know someone who is eligible?

If you know someone whose child is preparing for the 11+, or is in need of extra Key Stage 2 learning support (they do not need to be attending Salmestone), please share this link with them:

<https://atomlearning.com/pupil-premium/salmestone>

After completing the form on this page, their primary school will receive a notification to verify their pupil premium eligibility. Once confirmed by their school, their Atom Home account will be created.

If you would like to find out more, please email pupilpremium@atomlearning.com.

Kind regards,

Mr Good
