

Dear Families,

As we're coming towards the last weeks of term we have been having a great time doing our sports days, getting ready for our end of year performance in Y6 and preparing for the proms in the playground.

We were delighted with how many families were able to attend our events. It's such a positive experience for the children to see their families coming to support. We hope lots of you will be able to come along next week to the Summer Fair and Proms in the Playground.

I mentioned in my letter previously, that we have new music lessons available for pupils who would like to start or carry on their instrumental lessons. You can access the information and sign up here. [https://www.salmestone-tkat.org/files/ugd/9a2d99\\_2b5753eea07746bda0655782c4a353ec.pdf](https://www.salmestone-tkat.org/files/ugd/9a2d99_2b5753eea07746bda0655782c4a353ec.pdf)

In addition to this, we have an exciting new programme starting in September from a company called Action Your Potential supporting with family life. They are currently offering some webinars if you are able to sign up. The first series of Webinars is on

'The Impact of Phone-Based Childhoods on Mental Health and What We Can Do About It'

Help Your Child Manage Transition To Secondary School

Stepping Up To Advanced Studies

The team at Action Your Potential will be coming in September and are able to work to support families so there will be more information coming and a sign-up to the first event which is provisionally booked for the 25th September. We hope you can join us!

Thanks for all your ongoing support and for helping us make such a success of our last term

Best Wishes  
Mr T Platten

## Year 6 Creed Trip

Year 6 enjoyed their last school trip at Salmestone to Creed where they did lots of fun activities!

## The University of Greenwich Trip

Year 5 had the exciting opportunity to visit The University of Greenwich on Friday 14th June for a fun filled science morning. The STEM (Science, Technology, Engineering and Mathematics) department gave the children a very interactive and engaging opportunity to think about our footprint on Earth.

### Attendance and Lateness for Term 6

Class	Attendance %	Late Arrivals
